Subject: Budget Message – A Summary of the FY 2022 Proposed Budget

Date: May 4, 2021

I am transmitting with this Budget Message our Proposed Budget for Fiscal Year 2022. I recommend the City Council tentatively adopt the Proposed Budget as the Tentative Budget, initiating a period for public comment. The City Council can revise the Tentative Budget before adopting the Final Budget. As required by State law, the City Council will need to schedule a public hearing to adopt the Final Budget, which in the past is generally scheduled at the first City Council meeting in June. Based on the historical trends, I propose the Public Hearing be scheduled on June 1, 2021. Historically, Council has delayed the approval of the Final Budget to the following City Council meeting, which will be June 15, 2021.

Overview of Proposed Budget

Our proposed budget for the fiscal year beginning July 1, 2021 (known as FY 2022) reflects a balanced budget that shows significant progress toward funding key services provided by the City including streets, water, parks, drainage infrastructure and replacing and repairing the aging fleet and buildings. Additionally, the recruiting, retention, and training of productive employees is a priority to maintain knowledgeable, qualified staff to maintain the high level of service expected by residents and business. Finally, this budget provides the necessary funding to help Centerville begin to return to pre-pandemic levels of service with a small recreation program, traditional public events, maintaining our theater and supporting the theater production company, and continued enhancement of the historical Whitaker home.

In FY 2021, like the rest of the world, the City encountered unprecedented events that required us to take necessary precautions to ensure the continuation of services. The City adopted a budget with drastically reduced revenues and a subsequent list of deferred priorities. As the year progressed, the City received federal relief funds and better than forecasted sales tax revenues. As a result, the City Council amended the FY 2021 budget several times and were able to fund most of the deferred priorities, build the General Fund Balance to a healthy level, and complete many pandemic-related projects.

Due to the City's healthy financial position and anticipating additional federal relief funds at the end of FY21 and FY22, the City will be able to fund most of the requests made by the individual departments for the recruitment and retention of personnel, the maintenance of service levels,

and the repair and replacement of capital equipment and buildings (see Capital Equipment and Projects list, pg. xi).

The Proposed Budget includes significant funding for capital projects, including \$800,000 in water system and drainage improvements and \$1.5 million for road maintenance projects which includes \$150,000 for sidewalk maintenance. The City completely renovated Island View Park and is fully operational this year. The final phase on the upper level and addition of shade structures throughout the park awaits funding that will take a few more years to collect through the City's RAP taxes. New to the Centerville City Cemetery will be a "Niche Wall" that will allow for 48 spaces for cremation urns.

Federal Relief Funding

Beginning late in FY20 and all of FY21, the City along with the world grappled with a pandemic. In late March 2020, Congress and the President passed into law the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). Federal aid was then distributed to the states and within Utah, a portion was shared with the cities. We received three tranches of aid totaling \$1,514,517 to help mitigate the effects of the pandemic. The U.S. Department of the Treasury gave guidance on the proper use of these funds.

With this guidance, we were able to complete many projects including replacing the City Hall front doors with motion activated doors, providing protective glass for the administrative and public works offices, modifying desks and cubicles with splash shields, replacing plumbing fixtures with touchless ones, replacing current computer and telephonic equipment with mobile equipment to enable employee's to work from home, software purchases and changes to enable more virtual services and meetings, changes to the public buildings HVAC systems to include ionization filters, modifying the Council Chambers to allow for virtual public meetings, and a lot of personal protection equipment.

In total, these projects and equipment used just over \$400,000 of the funds. The remaining \$1.1 million will be used to help pay the salaries of frontline public safety employees from March 20, 2020 to June 30, 2021. Through many discussions with the Governor's Office and the Treasury, we have been assured this is an allowed use of the funds. As a precaution, we are proposing the City retain the freed-up funds until we have passed a successful audit of the CARES Act money. As the addition of these funds to our General Fund Reserve will cause the City to exceed the statutory limit of 25%, we propose transferring these funds to our City's Capital Improvement Fund.

In March 2021, Congress and the President passed into law the American Rescue Plan Act (ARPA). Again, the City will receive an allocation from the Federal government passed through the State, although at this time we have not received specific guidance from the Treasury on how to use these funds. In general, we are expecting another \$1.9 million in relief funds to be used during FY21 to FY24. Eligible uses include revenue replacement, pay for essential workers, economic recovery, and investments in critical infrastructure.

We are expecting more detailed guidance when the funds are dispersed in early May 2021. As such, we will modify the Proposed Budget to accommodate the additional revenue and account for the allowed expenditures.

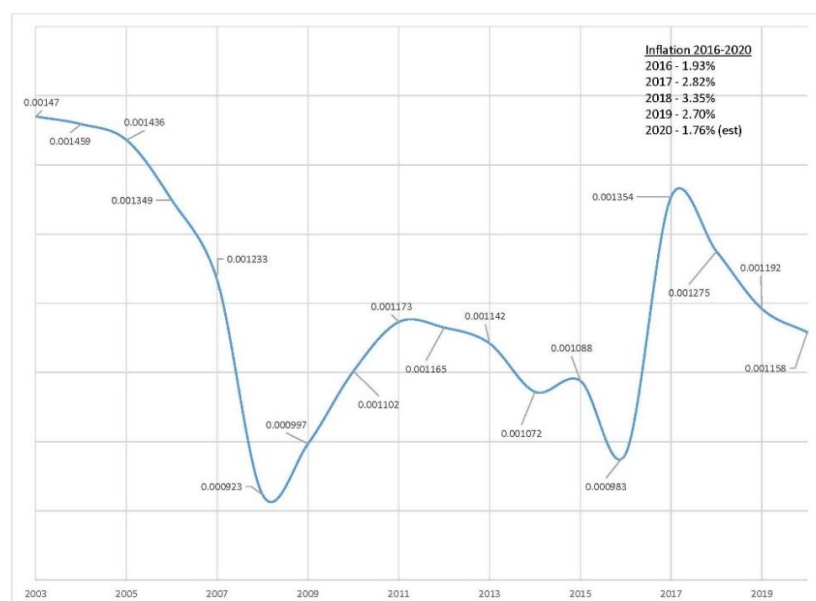

General Fund Revenues

The three largest sources of tax revenue for the General Fund are Sales Tax, Property Tax, and the Energy Sales and Use Tax (referred to as “franchise tax” for power and natural gas in the budget document). Sales Tax revenue in the current fiscal year is estimated to be 5.6% higher than the prior year, which is much stronger than anticipated. In the FY 2022 Proposed Budget, we are projecting sales tax revenues to increase by 5.6% over the estimated amount for FY 2021. The City will receive additional federal relief funds (American Rescue Plan Act: ARPA) that can be used to shore up any lost revenue due to the recent pandemic. If sales tax begins to decrease, the City will use ARPA funds to replace the lost revenue.

This Proposed Budget includes only a small increase in property tax due to development. We have not included a proposal for a property tax increase done through a Truth-in-Taxation hearing as the General Fund Reserve balance is at a healthy level, federal relief funds have and will shore up any revenue deficits and possibly provide other capital funding opportunities, and the City has the necessary revenue to fund current personnel, operations, and most capital requests. However, the recent influx of federal relief funds has masked the ongoing deficiency within our ongoing revenue sources – mainly property taxes. Operational costs continue to increase with inflation and the need for more personnel to maintain our high level of service, and no new sources of revenue are available to finance these costs.

The following graph shows the City’s property tax rates over the past few years.

Property Tax Rates Centerville City 2003-Present

In 2017, the City Council increased the property tax levy. Since that time, the rate has dropped back down to 2011-12 levels. We propose having a strategic discussion next fiscal year regarding the City's financial sustainability, service levels, increasing costs, and the City's revenue portfolio.

The other major tax revenue source in the General Fund is the **Energy Sales and Use Tax**. This tax (6%) is applied to the monthly bills for electric power and natural gas. The amount of revenue from this source fluctuates somewhat from year to year depending on the collective energy usage within the community, but generally speaking, has remained relatively level for several years. By contrast, **municipal telecommunications tax revenue** has declined as telephone users abandoned traditional land lines in favor of cell phones and internet phone service.

Transportation Funding

The "Transportation Projects Fund", created in FY 2018 provides a great first step into improving and providing quality City streets. Sources of revenue include gasoline tax revenue, the County imposed ¼ cent "transportation sales tax", and a transfer from the General Fund. As a result, the FY 2022 Proposed Budget includes \$1.5 million for pavement maintenance. In FY 2019, the City Council identified correcting sidewalk faults as a priority and approved \$100,000 towards correcting these faults. The City Council provided direction to Staff to fund the sidewalk replacement and repair program at least 5% each year. The FY 2022 Proposed Budget includes \$150,000 again to continue to address this issue. Daily street maintenance activities—such as pothole patching, snowplowing, streetlights, etc. continue to be budgeted in the General Fund.

RAP Tax and Park Improvements Funding

The Island View Park Phases I and II are complete and the park is fully functional. For the next few years, the City will need to use most of the RAP Tax revenue to pay off the financing for the park renovations.

In November 2016, Centerville voters approved the renewal of the RAP Tax, a 1/10th cent sales tax. This renewal became effective April 1, 2016. Prior to that date, 90% of the RAP Tax revenue was used to pay debt service for the Davis Center for the Performing Arts, home of CenterPoint Legacy Theatre. The current City Council has decided to use RAP Tax revenue under this new 10-year authorization for the following purposes:

- 85% for parks
- 5% for Whitaker Museum building and grounds improvements
- 5% for maintenance of the Performing Arts Center building
- 5% for purposes to be determined by the Council

We are in year three of the five-year \$500,000 repayment to the SDRC's lease agreement provided to add amenities to the Community Park in exchange for priority use of the new sports fields for a number of years. The \$500,000 will be repaid to the District from park impact fees (as they become available) and/or RAP Tax revenue. As park impact fees become available, they will repay the RAP taxes borrowed to finish the park expansion.

Enterprise Services and Funding

The City provides drainage utility, culinary water services, and solid waste collection using the enterprise approach. In other words, these services are fully funded with user fees. The Proposed Budget does not account for an increase in fees although a fee increase to fund future Water Projects is highly recommended.

Drainage Utility – Monthly user fees to maintain the City’s drainage system are known as “drainage utility” and “subsurface drain” fees. The increases adopted in 2015 are providing about \$350,000 per year to fund an ambitious capital improvement/replacement program recommended in the latest update of the Drainage Master Plan. More than \$6 million in drainage projects, mostly replacement of existing drainage infrastructure, is being funded over a 10-year period using a pay-as-you-go approach. The replacement of drainage pipes will be coordinated with street repaving work and secondary irrigation providers as much as reasonably possible.

Federal and State storm water regulations now require cities to prevent pollutants from entering the drainage system when washing municipal vehicles and equipment. These pollutants (debris) must be collected and disposed of properly. In FY21, the City completed the Decant Station building located at the Public Works Facility on 1250 West to better comply with these storm water regulations.

Culinary Water -- The most recent update of the culinary water system capital plan focuses on the replacement of water mains. The older area of the City has many miles of cast iron water mains that are coming to the end of their expected life. Breaks in these pipes cause costly damage to roads and interrupt water service to customers. Staff has coordinated these water main replacements with street repaving/reconstruction plans over the next 20 years so that, as much as practical, cast iron pipes are replaced at the same time as the street work is done, thereby reducing overall project costs as well as the road damage caused by breaks in cast iron pipes. As previously mentioned, storm drain replacements are also being coordinated with street projects. In addition, staff are working with other utility providers (irrigation, natural gas, etc.) to persuade them to replace their facilities, if needed, at the same time road work is done.

The available funds and purchasing power for Water Projects has reduced over the years due to the increase in labor, parts, and operating costs. The Proposed Budget includes about \$450,000 for projects which is not enough to pay for any amount of significant work. Staff are currently putting together a new Culinary Water Capital Facilities Plan with a recommendation on an increase in culinary water fees.

Personnel Costs

Currently, we are proposing adding public relations responsibilities to our recreation coordinator and making the position full-time. Also, we have included funding for a performance and efficiency audit of the Police Department to determine their current and future needs. Depending on the

results of that audit, we will explore funding mechanisms including grants and a possible property tax increase to fund any of their needs.

We are proposing a 1.8% market rate adjustment to all employee salaries and to the salary schedule, a 2% merit increase to be determined and allocated to employees by Department Heads, and the funding of the final implementation phase of the Compensation Study conducted in FY 2018.

Equipment

A table beginning on page xi identifies department head requests for equipment (exceeding \$1000) and which of these requests are included in the Proposed Budget.

Long-Term Financial Obligations

The City has the following long-term financial obligations:

- 1) repayment of water revenue bonds;
- 2) an annual pledge for UTOPIA;
- 3) repayment of the SDRC lease for the Community Park Expansion; and
- 4) repayment of the Real Property Lease for Island View Park. The Proposed Budget includes the payments due in FY 2021 for each of these obligations.

Water Revenue Bonds – The City issued water revenue bonds in 2012 for water system improvements. This bond issue included \$2.1 million in new borrowing and refunded the existing debt of \$2.1 million (relating to water system and drainage projects completed earlier). The debt service requirements will be paid entirely from Water Fund revenue and Drainage Utility fees.

UTOPIA – The City began paying its sales tax pledge for UTOPIA in January 2010. The following funding sources are being used to pay the annual pledge, which will be \$511,137 in FY 2022:

- **Reimbursement from the RDA Fund for Freedom Hills Park construction.** This park was eligible for funding from the RDA's annual "additional tax increment". Other City funds, however, were used to complete the park sooner; therefore, the RDA's additional increment flows to the City as repayment and is being used for the UTOPIA obligation. This amount will be \$388,000.
- **UTOPIA Rebate.** In FY2022, we will receive a rebate from UTOPIA in the amount of \$123,137. Each year, provided the rebate is approved by the UIA Board, the City will receive this rebate with a slight increase to cover the increase in the bond payments each year.

See Capital Projects--UTOPIA Fund for the budget relating to the UTOPIA annual pledge payment.

Davis Center for the Performing Arts – Construction of the \$14.3 million regional performing arts facility was completed in 2011 and is owned by the Redevelopment Agency of Centerville. Debt service for this facility has been paid from four sources:

- 1) RAP tax approved by voters in Centerville and Bountiful;
- 2) RDA tax increment (i.e., property taxes from the businesses in the Redevelopment Project Area);
- 3) Davis County tourism taxes; and
- 4) private donations.

As of May 1, 2021, the Sales Tax Revenue Bonds – 2009 have been fully paid and will no longer show up in the budgets of the City as a debt.

Redevelopment Agency

The Centerville Redevelopment Agency (RDA) is a separate legal entity created under State law for the purpose of assisting in the redevelopment of under-developed areas in the City. The City Council serves as the RDA Board of Directors. The RDA's Budget is included in the total Budget document, however, is subject to its own public hearing and adoption process.

The source of revenue for the RDA Fund is the property tax “increment” (or increase) created by increasing the taxable property value in each “Project Area” through redevelopment activities. The RDA is entitled to use a portion of the new property tax revenues for legitimate purposes identified in State law – such as public infrastructure (roads, utilities, etc.) in the Project Area, public amenities, financial assistance to developers, and construction or preservation of affordable housing.

The Centerville RDA Proposed Budget is shown immediately after the Centerville City Proposed Budget. The RDA currently has three Project Areas:

- 1) Parrish Lane Gateway Project Area (traditional Redevelopment Area);
- 2) Legacy Crossing at Parrish Lane Project Area (Community Development Area or CDA); and
- 3) Barnard Creek Project Area (CDA).

The biggest current commitment related to all Project Areas are tax increment refunds paid to developers to reimburse them for public infrastructure (roads, water mains, storm drains, etc.) and some private on-site improvements. The RDA also receives monthly rental payments from CenterPoint Legacy Theatre for use of the DCPA facility. These rental payments are deposited into a restricted account known as the Theatre Reserve Fund, to be used for major repairs to the facility. These monthly payments can also be used to reimburse the RDA for other facility-related expenses that are not the obligation of CenterPoint Legacy Theatre. NOTE: Due to the recent pandemic, the RDA Board approved the temporary suspension of the collection of these rental payments. We propose using ARPA funds to supplant the suspended rental payments.

Summary of Revenues and Expenditures

A summary for all funds in the Proposed Budget is shown on Page 1 of the Proposed Budget detail document, totaling more than \$19.7 million. Summaries of revenues and expenditures for the General Fund are shown on the following pages of the same document. Proposed General Fund expenditures total \$10.6 million, or 53.8% of all proposed spending.

Item No. 3.

Short Title: Consider Tax Increment Subsidy Exception for Legacy Crossing Theater, LLC

Initiated By: Dan Bridenstine, Legacy Crossing Theatre, LLC

Staff Representative: Jacob Smith, Administrative Services Director

SUBJECT

Consider Tax Increment Subsidy exception for Legacy Crossing Theater, LLC for Tax Increment Year 2020 due to COVID-19 related reduction in ticket sales

RECOMMENDATION

Approve Tax Increment Subsidy exception for Legacy Crossing Theater, LLC for Tax Increment Year 2020 due to COVID-19 related reduction in ticket sales.

BACKGROUND

The RDA recently approved Amendment No. 1 to the Agreement for Development of Land (ADL) regarding tax increment incentives related to the Legacy Crossing and Parrish Lane project. Amendment No. 1 allows the RDA, in its sole discretion, to make an exception to the required provisions of the ADL to allow for the distribution of some or all eligible annual Tax Increment Subsidy to the developer for the Tax Increment Year 2020 due to COVID-19 related reductions in annual ticket sales or other required conditions precedent set forth in Section 2.1 of the ADL. The developer is required to provide to the RDA sufficient written evidence of COVID-19 related reduction in annual ticket sales or other required conditions precedent. The attached ticket sales data has been provided by the developer. The RDA may grant an exception to allow for the distribution of some or all eligible annual Tax Increment Subsidy for the Tax Increment Year 2020.

**AMENDMENT NO. 1 TO
AGREEMENT FOR DEVELOPMENT OF LAND (ADL)
BY AND BETWEEN THE REDEVELOPMENT AGENCY OF CENTERVILLE CITY, A
PUBLIC ENTITY, AND LEGACY CROSSING THEATRE, LLC, A UTAH LIMITED
LIABILITY COMPANY**

PARRISH-LEGACY CROSSING COMMUNITY DEVELOPMENT PROJECT AREA
CENTERVILLE CITY, UTAH

THIS AMENDMENT NO. 1 TO AGREEMENT FOR DEVELOPMENT OF LAND (“Amendment No. 1”) is made and entered into as of the ____ day of May, 2021, by and between the **REDEVELOPMENT AGENCY OF CENTERVILLE CITY**, a governmental entity organized under the laws of the State of Utah (the "Agency"), and **LEGACY CROSSING THEATRE, LLC**, a Utah limited liability company (the "Developer"). The Agency and Developer may be referred to in this Amendment No. 1 as a "Party" or collectively as the "Parties."

RECITALS

A. WHEREAS, the Parties previously entered into that certain Agreement for Development of Land dated September 21, 2010 (“Agreement for Development of Land”), regarding tax increment related to the development of the Legacy Crossing at Parrish Lane project located at the southeast corner of 1250 West and Parrish Lane in Centerville City, Davis County, State of Utah; and

B. WHEREAS, the Parties desire to amend the Agreement for Development of Land to address Developer’s failure to meet annual performance criteria and to provide discretion for the Agency to allow distribution of tax increment under limited certain circumstances even if performance criteria are not met as more particularly described herein.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Incorporation of Recitals.** The above Recitals are hereby incorporated into this Amendment.

2. **Amendment to Section 2.2.** Section 2.2 of the Agreement for the Development of Land regarding “Developer’s Failure to Meet the Conditions Precedent” is hereby amended and restated in its entirety as follows:

2.2 **Developer's Failnre to Meet the Conditions Precedent.** Except as otherwise provided herein, in the event that the Developer fails to perform any term, covenant, or condition precedent described in Subparagraphs (A), (B), (C), and/or (D) of Section 2.1

during any Tax Increment Year, ~~then~~ the Agency shall have no obligation to pay the Developer the annual Tax Increment Subsidy available for such Tax Increment Year and the Tax Increment Subsidy amount available for such Tax Increment Year shall be retained by the Agency and used at its discretion. The Agency, in its sole discretion may make an exception to this provision to allow for the distribution of some or all eligible annual Tax Increment Subsidy to the Developer for the Tax Increment Year 2020 due to COVID-19 related reductions in annual ticket sales or other required conditions precedent set forth in Section 2.1. The Developer shall be required to provide to the Agency sufficient written evidence of COVID-19 related reduction in annual ticket sales or other required conditions precedent. The Agency may grant such exception by motion and majority vote of Agency members.

3. **Amendment to Section 2.4.** Section 2.4 of the Agreement for the Development of Land regarding "Reduction of the Tax Increment Subsidy in Years Where the Developer Fails to Satisfy the Conditions Precedent or Other Eligibility Requirements" is hereby amended and restated in its entirety as follows:

2.4 **Reduction of the Tax Increment Subsidy In Years Where the Developer Fails to Satisfy the Conditions Precedent or Other Eligibility Requirements.**

(A) Except as otherwise provided herein, in ~~the~~ the event of a failure of the Developer to meet the conditions precedent or other eligibility requirements and this Agreement has not been terminated pursuant to Article 8, then the Tax Increment Subsidy shall be reduced as follows:

In any Tax Increment Year during the Tax Increment Subsidy Period in which the Developer has not met all of the conditions precedent or other requirements set forth in this Agreement for eligibility to receive the Tax Increment Subsidy payment(s), then the amount of the Tax Increment Subsidy which would have been paid to the Developer as the Tax Increment Subsidy for that Tax Increment Year shall not be paid to the Developer and shall be retained by the Agency for other Agency purposes, and the amount of the Tax Increment Subsidy which would have been paid to the Developer as the Tax Increment Subsidy for that year shall be subtracted from the applicable Not To Exceed Amount Of Tax Increment Subsidy to be paid to the Developer and the difference shall be the new or reduced "Not To Exceed Amount Of Tax Increment Subsidy." For example, if the Developer had initially qualified for the maximum Not To Exceed Amount Of Tax Increment Subsidy of \$3,574,000, and if there would have been \$200,000 of Tax Increment money available to pay the Developer as the Tax Increment Subsidy payment for Tax Increment Year 2012, but the Developer was not eligible to receive payment of the Tax Increment Subsidy because the Developer had failed to meet one or more of the above conditions precedent, then the "Not To Exceed Amount Of Tax Increment Subsidy" would be reduced by subtracting the sum of \$200,000 (the amount of Tax Increment that would have been available to pay the Tax

Increment Subsidy) from the "Not To Exceed Amount Of Tax Increment Subsidy" of \$3,574,000, and the new or reduced "Not To Exceed Amount Of Tax Increment Subsidy" shall be the sum of \$3,374,000 (i.e., \$3,574,000 - \$200,000 = \$3,374,000), which would be the new maximum "Not To Exceed Amount Of Tax Increment Subsidy" for purposes of this Agreement.

Each year during the Tax Increment Subsidy Period that the Developer is not eligible to receive the Tax Increment Subsidy and provided this Agreement has not been terminated pursuant to Article 8, the Tax Increment Subsidy shall not be paid to the Developer and, in addition, the "Not To Exceed Amount Of Tax Increment Subsidy" shall be reduced by subtracting the amount of Tax Increment that would have been available to pay the Tax Increment Subsidy from the "Not To Exceed Amount Of Tax Increment Subsidy" as originally determined, or as the amount may have been reduced pursuant to the provisions of this Subparagraph (A).

(B) The Agency shall have no obligation to pay to the Developer any amount of Tax Increment Subsidy in excess of the amended, reduced or adjusted "Not To Exceed Amount Of Tax Increment Subsidy".

~~(B)~~(C) In the event the Agency grants an exception to allow for the distribution of some or all eligible annual Tax Increment Subsidy to the Developer for the Tax Increment Year 2020 due to COVID-19 related reductions in annual ticket sales or other required conditions precedent as more particularly set forth in Section 2.2, the provisions of Section 2.4 regarding reduction of the "Not to Exceed Amount of Tax Increment Subsidy" shall not apply to such portion of eligible annual Tax Increment Subsidy distributed to the Developer for the Tax Increment Year 2020. Any eligible Tax Increment Subsidy not distributed to Developer for the Tax Increment Year 2020 for failure to meet conditions precedent shall be subject to the provisions of Section 2.4.

AMENDMENT NO. 1 TO TAX INCREMENT PARTICPATION AGREEMENT – PASTURE, LCC

Administrative Services Director Jacob Smith explained that the applicant acquired a new parcel adjacent to the Pasture Project site from UDOT in 2020. As a condition of rezoning this new parcel and including the new parcel in the Pasture Project, the City has required the applicant to combine the two existing parcels into one parcel to ensure a remnant parcel does not exist. Mr. Smith recommended the RDA Board amend the current Tax Increment Participation Agreement to change the definition of the Pasture Project and the Site for purposes of the Participation Agreement to include both Parcel Nos. 06-003-0049 and 06-003-0055, and any subsequent parcel number assigned to such parcels once they were combined into one parcel.

Director Ince **moved** to approve Amendment No. 1 to the Tax Increment Participation Agreement for Development of Land between the RDA and the Pastures, LLC. Vice Chair Ivie seconded the motion, which passed by unanimous vote (4-0).

AMENDMENT NO. 1 TO TAX INCREMENT AGREEMENT FOR DEVELOPMENT OF LAND – LEGACY CROSSING THEATRE, LLC

The RDA entered into a Tax Increment Agreement with Legacy Crossing Theatre, LLC in September 2010. Per the agreement, the Megaplex must have sold a minimum of 500,000 theater tickets to be eligible to receive their tax increment payment. This past year, 2020, the theater was ordered to close due to the pandemic and were not able to sell 500,000 tickets. Administrative Services Director Jacob Smith explained that Legacy Crossing Theatre, LLC requested the tax increment payment (\$203,866.73) as the loss in ticket sales was outside their control and the money was needed. According to the current agreement, the RDA could not remit the payment if any of the four conditions outlined in the agreement were not met.

The RDA Board discussed the request. Director McEwan **moved** to approve Amendment No. 1 to the Tax Increment Agreement for Legacy Crossing Theatre, LLC to allow an exception

1 for Tax Increment Subsidy for COVID-19 related reasons. Director Ince seconded the motion,
2 which passed by unanimous vote (4-0).
3

4 Director Ince **moved** to confirm the amount of tax increment anticipated in the Amendment
5 at \$203,866.73. Director McEwan pointed out approval of distribution was not included on the
6 agenda. City Attorney Lisa Romney advised that approval of distribution should be listed on the
7 next RDA meeting agenda. Dan Bridenstine, representing Legacy Crossing Theatre, LLC,
8 thanked the Board for their consideration and stated he was grateful for the relationship they had
9 with Centerville.

10 **CW GROUP FENCE PROPOSAL**

11
12
13 The vinyl fence along the north boundary of the Parrish Lane Gateway RDA between
14 CenterPoint Theatre and Chick-Fil-A was installed in 2010 when the CenterPoint Theatre building
15 was constructed. The fence was damaged in various locations during demolition of the
16 manufactured home park to the north. Darlene Carter with CW Group said the applicant was
17 prepared to repair the fence where damage occurred; however, she said CW Group proposed to
18 replace the entire fence line with a 6-foot gray composite fence at their cost, with maintenance
19 costs shared by the RDA and CW Group long-term. Ms. Carter explained that 6-foot fences could
20 be reinforced better than 8-foot fences, and would probably withstand Centerville windstorms
21 better.
22

23 Director McEwan pointed out that the fence in question ran east-to-west and would
24 probably not sustain a lot of wind damage with heavy Centerville winds generally coming from the
25 east. Ms. Carter explained that CW Group planned to install an 8-foot fence between the planned
26 office building next to Frontage Road and the four or five residential properties to the north, and
27 transition to six-foot fence for the remainder of the north property line. She said their preference
28 would be for the stronger 6-foot fence on the south side, but they were prepared to repair the
29 damage to the existing 8-foot fence if the RDA preferred an 8-foot fence on the south property
30 line.
31

32 RDA Executive Director Brant Hanson said Community Development Director Cory
33 Snyder had indicated he did not have a preference and believed either option was sufficient. Mr.
34 Hanson said CenterPoint Theatre and Chick-Fil-A had both indicated support for the proposal to
35 replace the 8-foot vinyl fence. He said he personally believed a new higher-quality fence was the
36 better option.
37

38 Director Mecham said it was her understanding that constructing an 8-foot fence was more
39 expensive than a 6-foot fence because an 8-foot fence was required by the State to be structurally
40 engineered, and a 6-foot fence was not. Vice Chair Ivie asked if safety/security was a concern
41 with a 6-foot fence versus an 8-foot fence. Ms. Carter responded that the development would be
42 open and accessible on both the east and west sides, and she was not overly concerned about
43 the security issue. She added that the trees that would be planted would provide more of a buffer
44 than the 8-foot fence.
45

46 Ms. Carter asked if the RDA would be willing to share in the long-term maintenance of the
47 new fence, should maintenance be necessary. Mr. Hanson pointed out the RDA was currently
48 fully responsible for maintenance of the existing vinyl fence, and said he felt the proposal was a
49 win-win. Ms. Carter said final plans and specs for the fence would be provided to City Staff for
50 review.

1 Director McEwan suggested the possibility of a gate in the new fence on the south property
2 line to provide access for residents of the new development to neighboring commercial without
3 going all the way around to 400 East or Frontage Road. Ms. Carter explained that an HOA would
4 be responsible for the area, and expressed concern that inviting more access would increase
5 HOA vulnerability. Regarding fence height, Ms. Carter commented that a 6-foot fence may cause
6 fewer visibility problems with the curve in Frontage Road at the subject location.
7

8 Director McEwan **moved** to instruct Staff to work with CW Group on fence replacement
9 details as presented to the RDA with costs that could be voted upon. Director Ince seconded the
10 motion, which passed by unanimous vote (4-0). Responding to a question from Director McEwan,
11 Ms. Carter spoke of increased building costs.
12

13 **MINUTES REVIEW AND ACCEPTANCE**

14
15 Minutes of the October 20, 2020; October 26, 2020; February 2, 2021; and May 4, 2021
16 RDA meetings were reviewed. Director McEwan **moved** to accept all four sets of minutes. Director
17 Ince seconded the motion, which passed by unanimous vote (4-0).
18

19 **ADJOURNMENT**

20
21 At 6:15 p.m., Director Ince **moved** to adjourn the RDA meeting. Director McEwan
22 seconded the motion, which passed by unanimous vote (4-0).
